In 1990, the Board of Supervisors adopted a policy that parcels which are less than 25 acres will not be permitted within an agricultural and forestal district. If this policy affects your application, please list below your reasons for requesting that the subject property be exempt from this policy. Reasons may include:

1. The subject property is under an open space easement; and/or
2. The subject property is part of a working farm and under the same ownership, or family ownership, of other lands which are currently a working farm and are in or being added to an Agricultural and Forestal District.

REASONS FOR INCLUSIONS: to preserve natural appearance of
the land.

RESTRICTIONS AND GENERAL INFORMATION:

1. The application may be withdrawn by the applicant at any time prior to the Board's adoption of the proposed district or addition.
2. The Board has established an eight (8) year period for districts.
3. Once adopted, continuation in the district is mandatory for the period specified by the Board except if property is allowed to be withdrawn for "good and reasonable cause shown". Such "good and reasonable cause" must be accepted by the Board of Supervisors.
4. Heirs may withdraw all or a portion of the property within two (2) years of their inheritance by submitting such a request in writing to the Board of Supervisors.
5. In all ordinances established in districts to date, the Board has included the following restrictions:

A prohibition of subdividing the property into lots of less than fifty (50) acres.

A transfer to a family member is permitted.

A transfer to an adjoining property owner is permitted as long as a new lot is not created.

Owners must obtain a special exception for new uses on the subject property other than agricultural, forestal, horticultural or open space uses.

* Property admitted to an agricultural and forestal district becomes eligible for land use assessment under the open space category. The landowners must apply for land use assessment. Applications may be obtained from the Commissioner of Revenue Office.
